SUBJECT: **New Winston Product Shipment Status**

Attached you will find a spreadsheet which provides you with the current status of the new Winston product shipments by style by bonded warehouse. The dates indicate when the bonded warehouse began to ship the new product to direct accounts.

Additionally, as information, all remaining inventories of the old style Ultra's and Select's will be pulled from the bonded warehouses and returned to Winston-Salem at the close of business on June 20, 1997. This should help us in flushing out the current inventories of these styles at wholesale and retail.

Call if you have any questions.

Best regards,

Don
